Disarmament, Demobilization and Reintegration (DDR) Section

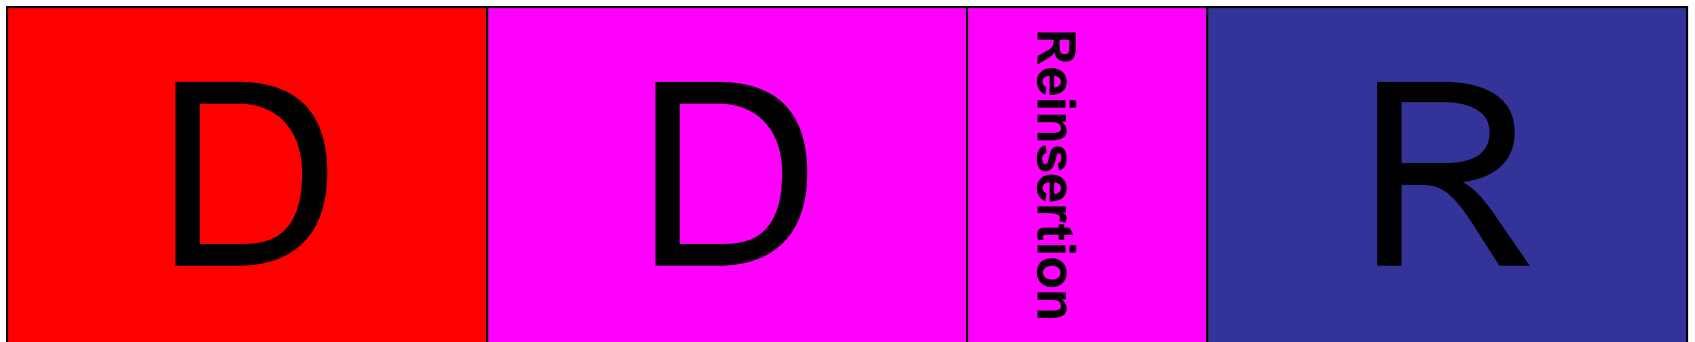

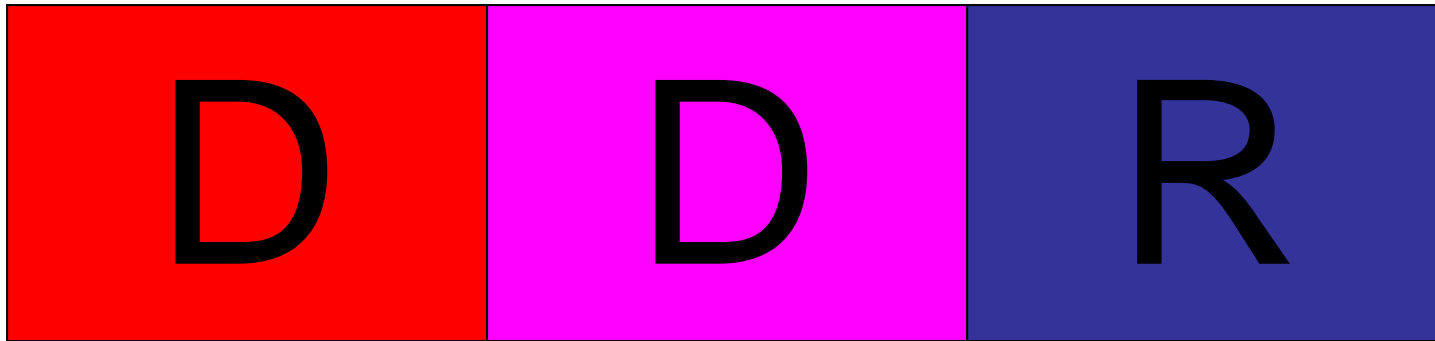

DDR and related programmes in peacekeeping and special political missions

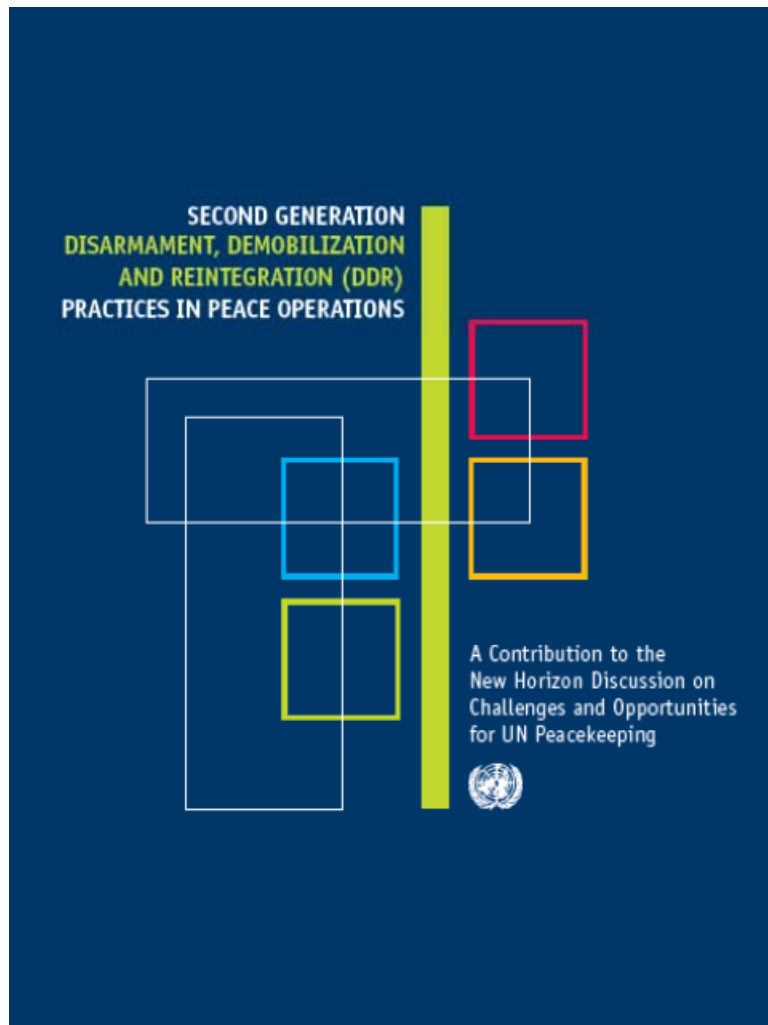

DDR in peacekeeping

Second Generation DDR

- Preconditions for traditional DDR do not exist (all-inclusive agreement, political will of parties to the conflict, minimum security)
- Proliferation of armed groups at the sub-national level

Conflict analysis-driven strategies

- Post-conflict stabilization measures
- Targeting specific groups
- Alternative approaches to addressing disarmament & unregulated weapons
